

Laptop/tablet Stand

The Mousetrapper Laptop/Tablet Stand is the best partner of iPad, E-Reader, Laptop and Tablet PC. Its ergonomic design helps users solve the problems associated with poor posture. The Laptop/Tablet Stand has 6 levels of visual height adjustment. Its ability to adjust leads to improved heat dispersal while also contributing to a compact and portable design.

Benefits of Laptop Stand

Are you feeling tired in your neck and shoulders? Maybe it's a matter of the wrong posture while working on your laptop or tablet. The Mousetrapper Laptop/Tablet Stand helps you keep your head in an ergonomic position. By keeping your eyes in the right height on a comfortable distance your work will be smoother and more enjoyable.

If you still occasionally feel pain in your arm, neck or shoulder – have a closer look of our product line og ergonomic mouse solutions that has helped many to avoid unnecessary pain. You find them on www.mousetrapper.com.

- » A slim design, made in aluminium; foldable and portable
- » Height and width adjustable
- » 6 different tilt positions for viewing comfort
- » Bag in neoprene material

Tips for better posture and ergonomics:

- » Adjust your chair so that your feet are supported on the floor and keep your back straight while you are sitting.
- » Keep your arms close to your body while working.
- » Rest your arms on wrist supports or your desk.
- » Vary your working position; use a stand-and-sit desk to alternate between standing and sitting.
- » Position the screen at a comfortable distance that does not put strain on your eyes or neck.
- » Avoid repetitive strain injuries (RSI) by reviewing your choice of mouse.
