ENGLISH

Connecting

INSTALLATION

Connect the supplied USB cable between your Type Mini and the computer. Now you're ready!

Basic tips

ADJUSTABLE HEIGHT

Type Mini is with its sleek and compact design a perfect office companion, even if you're on the move. It also features pegs in two different levels so that you can adjust the height according to your needs. Both in the front and in the back.

SVENSKA

Koppla in

INSTALLATION

Anslut den medföljande USB-kabeln mellan din Type Mini och datorn. Nu är du klar!

Grundläggande tips

JUSTERBAR HÖJD

Type Mini är med sin stilrena och kompakta design en perfekt kontorspartner, även när du är på språng. Den har även ben i två olika nivåer så att du kan justera höjden efter dina behov. Både fram och bak.

DANSK

Tilslut

INSTALLERING

Tilslut den medfølgende USB-kabel mellem din Type Mini og computeren. Nu er du klar!

Grundlæggende tips

JUSTERBAR HØJDE

Type Mini er med sit slanke og kompakte design den perfekte kontorspartner, selv når du er på farten. Den har også stifter i to forskellige højder, så du kan justere højden efter dine behov. Både foran og bagpå.

NORSK

Koble til

info@mousetrappier.com

Hereby declares that the
Product: Mousetrappier (HID mouse/keyboard)
Model name: Type Mini

Conforms to the following specifications:
FCC 47 CFR 15: Radio frequency device, subpart B:
Unintentional radiators. Class B Equipment.

ICES-003 Issue 6: Information technology equipment- Limits and methods of measurement, Class B.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

This equipment referenced in this declaration is identical to the unit tested and found acceptable with the standards. The technical records maintained by the responsible party continue to reflect the equipment being produced under this Declaration of Conformity within the variation that can be expected due to quantity production and testing on a statistical basis.

Changes or modifications to the equipment not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

DISCLAIMER AND LIMITATION OF LIABILITY

This product (the Product) has been manufactured by or on behalf of Trapper Data AB, Swedish Reg. No. 556872-7597 And its group companies (Trapper Data). As between Trapper Data and the user, the following shall – to the fullest extent permitted by applicable law – apply: The Product is provided "as is" without warranty of any kind (either express or implied), including but not limited to any implied warranties of merchantability and fitness for a specific or general purpose and those arising by statute or by law, or from a cause of dealing or usage of trade. Trapper Data shall have no obligations whatsoever to repair, replace or service the Product in any manner or to provide the user with any future upgrades to the Product, if any. The user is solely responsible for the use of the Product. In no event, regardless of cause, shall Trapper Data be liable for any direct, indirect, special, incidental, punitive or consequential damages of any kind, whether arising under breach of contract, tort (including negligence), strict liability or otherwise, and whether based on agreement or otherwise, even if advised of the possibility of such damages. Trapper Data makes no claim or representation that the Product will prevent, cure, or mitigate any medical condition, disease, injury, pain or discomfort for all users.
